INTRODUCING...

The SJC Bears have more than just a new coach for the 1990-91 season. They also have an impressive and eager lineup of freshmen who are sure to provide the skills the Bears need to become a winning team.

Kevin Raynor's 6'4" and Glen Casey's 6'2" will add some much needed height on the court, as both players are interested in being forwards. Another "tall freshman" is Brian "Ice" Lydting, a 6'1" forward who is very optimistic about the season ahead: "There's no stopping us this year."

Other new additions to the team include Eamonn Cunningham, a 5'11" guard, Tom Handley, a transfer from St. Francis, Mike Satira and Brad Katinas.

Senior Billy Donovan and Sophomore Brian Butler are the veteran Bears who will provide a strong foundation for this relatively inexperienced team.

Both Billy and Brian were key factors in last year's second place

win in the King of Kings Tournament and in the season that followed.

Rejoining the team are Seniors Matt Wilhelm, a 6' guard and Matt Regan a 6'3" forward.

Glen Casey is also very optimistic about the season as he states, "We're going to win our share of games."

I hope the whole team feels that way, because a winning attitude leads to victory. Determination, optimism and skill are the ingredients of a team which will make us proud.

This should be a challenging year for the team. Games have been scheduled with the usual schools such as Pratt, Poly Tech, and Yeshiva, but the schedule has been expanded to include colleges in Maryland and Pennsylvania.

The complete schedule is published in this issue. So, cut it out or pick up a copy in room 101. Come out and support your basketball team!

BEARS CLAW WEBB!!

The BEARS began the season with an overwhelming victory over Webb Institute on Wednesday, November 14th. Sophomore Brian Butler contributed an impressive 27 points to the 64-27 win. This point total is not surprising though, since Brian made his debut as a freshman vs. Webb and scored 25 points in the 89-90 season.

The starters were Billy Donovan, Brian Butler, Matt Wilhelm, Glen Casey, and Kevin Raynor. Of the starting five, Glen Casey scored 13 points, Kevin Raynor had 12, and Billy Donovan scored 8. Also contributing to the effort were Matt Wilhelm and Tom Handley scoring 2 each.

The game was exciting, and it was refreshing to see that all the players had some playing time. This season's team showed improved rebounding skills and effective passing.

GIVE THANKS

Before the turkeys are baked, cranberries crushed and pumpkin pies eaten, Father McAuliffe, Campus Minister, will offer the annual SJC Thanksgiving Service.

Campus Ministry will host the service in the SJC Library Chapel on the fourth floor, on November 21st at 1:00 p.m.

The service will include singing, prayer and scripture readings.

The Thanksgiving service is an expression of thanks to God, who has given the world many gifts. If you hold the same feeling, you won't want to miss this opportunity to give thanks.

Tired? Up-tight? Out of breath? SJC students who wanted to find out whether it was the semester "crunch" or health problems that were making them feel less than excellent, attended the Health Fair on Wednesday, November 14, during Common Hour. The Health Fair was sponsored by the Science Club and the Health Professions Committee.

Health related instruction featured Kim McGinn (CPR), and Maria Ortiz (Heimlich Maneuver).

Health testing for blood sugar, hypertension, pulmonary capacity, and hearing was provided by Kathleen Barrett, Ursulina Bencosme, Rochelle Douglas, Manuela Alana, Lee D'Ambrosio and Kaye Nembhard.

F.Y.I.

Registration for the Spring semester is Monday, November 26 for Juniors and Seniors and Wednesday November 28 for Sophomores and Freshmen. Remember: you must meet with your advisor before registering!!

If you fall into either of the following categories, you WILL NOT BE PERMITTED TO REGISTER

1. Full-time Freshmen and Sophomores who have not provided documented proof of immunization or immunity. (If you have any questions, see S. Teresa Avila).

2. Sophomores and Juniors (including new transfer students) who have not formally declared a major. (If you have any questions, see Lisa Freeland).

Mark your calendars: the distribution of rings will take place during Junior Class Night on Friday, Nov. 30. Father Dennis McAuliffe will conduct the ceremony. Kim McGinn, Junior Class Rep, urges all members of the class and those receiving rings to attend with their families and friends. A reception will follow the Mass and Ring Ceremony.

The Speech Communication Department is arranging a theatre party for the week after Thanksgiving. They are making plans to see SIX DEGREES OF SEPARATION at Lincoln Center.

Contact Eileen Capone if you are interested, so a date can be arranged and a ticket reserved.
